## Blitz

I'm the youth you can't avoid  
I'm the truth, I can't be destroyed  
It's the truth you can't avoid  
It's the truth, it can't be destroyedI'm a youth, I'm the truth  
I'm a youth, I'm the truth, truth, truth  
I'm a youth, I'm the truth  
I'm a youth, I'm the truth  
I'm a youth, I'm the truth, truthIt's the truth you can't avoid  
It's the truth, it can't be destroyed  
He's a youth you can't avoid  
It's the truth, it can't be destroyed
