Good Morning George

Veggie Tales

Good morning, George, how are you?
I hope you're feeling fine
I'd love to stay and talk but it's almost 8 o' clock
And I haven't got the time, see you later!Because we work real hard at the Chocolate factory
We start at eight and we don't get lunch 'til three
I've gotta drive a truck to make a buck
So I can send it home to my familyWell now you are in trouble
Your timecard is a wreck
It's almost two past eight
I'll tell Nezzer that you're late
And he'll take it from your checkYes, Mr. Lunt
Oh, yes we work real hard at the Chocolate Factory
Excuse me, Mr. Lunt, but I've got an injury
Now get back on the line, you'll be just fine
With all this work to do we've got no time for sympathyWe used to be so happy
We used to laugh and run
Now there's no time to play
'Cause we've gotta work all day and it isn't very funI'm Rack
I'm Shack
I'm BennyWe work here in the plant
We'd like to take a break
For goodness sake
But Mr. Nezzer says, you can'tWe all need a vacation
Our schedule is severe
Were getting very tired but stopping gets us fired
So well have to stay right hereBecause we work real hard at the Chocolate Factory
We start at 8 and we dont get lunch till 3
We work the whole week through to make a buck or two
So we can send them home to our familiesSomeday theyll come and join us
Well live in harmony
We hope the day is near until then youll find us here
At the Nezzer Chocolate Factory
