I Do

Paul Brandt

(paul brandt)I've seen the storm clouds in your past
But rest assured 'cause you are safe
At home at last
I rescued you, you rescued me
And we're right where we should be
When we're togetherI know the questions in your mind
But go ahead and ask me one more time
You'll find the answer's still the same
It won't change from day to day
For worse or betterChorus:
Will I promise to be your best friend
And am I here until the end
Can I be sure I have been waiting for you
And did I say my love is true
Baby I will, I am, I can, I have, I doI know the time will disappear
But this love we're building on will always be here
No way that this is sinking sand
On this solid rock we'll stand forever(chorus)Baby I will, I am, I can, I have
Oh, I will, I am, I can, I have
Baby I will, I am, I can, I have, I do
