

Love Is Love (in Any Language)

Christopher Cross

Checkin' out the sand streets
Of this island town
I got my cold Dos Equip
Watchin' women brown

They call it Paradiso
It looks like paradise
And it's looking better all the time

Now I'm dancin' in the moonlight
The party's everywhere
It's all a sweet seduction
To the rhythm in the air

Local girls are talkin'
I hear their bodies say
This boy won't be leavin' lonely

It's je t'aime, it's amore te quiero, mi chica
If it's good you'll get the message
It's je t'aime, it's amore eu te amo
Love is love in any language

She caught my intention
When I caught her eye
We just started movin'
Never askin' why

Faded into passion
That girl and I
Love is love in any language

It's je t'aime, it's amore te quiero, mi chica
If it's good you'll get the message
It's je t'aime, it's amore eu te amo
Love is love in any language

Love is love
Love is love

Love is love

Let your heart talk
To the girl
Love can take you
'Round the world

It's je t'aime, it's amore te quiero, mi chica
If it's good you'll get the message
It's je t'aime, it's amore eu te amo
Love is love in any language

Aloha wau in oe
If it's good you get the message
[Foreign Content]
Love is love in any language

Nakupenda mno sana sana
When it's good you get the message
Aku chinta kamu
Love is love in any language

Ich liebe dich, mein fraulein
If it's good you get the message
Love is love in any language
