Paradise Lost

Icehouse

(You don't scare me just to hesitate sometimes)(You don't scare me just to hesitate very safe)(You don't scare me just to hesitate)
(You don't scare me just to hesitate soon)(Soon)(You don't scare me just to hesitate real soon)(Soon)(You don't scare me just to hesitate)
(You don't scare me just to hesitate soon)
(You don't scare me...soon...)(You don't scare me just to hesitate)
(You don't scare me just to hesitate sooner at dawn)
(You don't scare me just to hesitate)
(You don't scare me just to hesitate very safe)
(You don't scare me just to hesitate...soon...)
