

One Late Night

Default

Well, I've been to the edge and back again
And I know all there is to know it's a dead end
Late at night I'll come walking by
Just to see what went wrong
Late at night you'll come crawling back
Just to steal a piece of me
I know what the world is made of I've seen it
You don't have all the answers keep dreaming
Late night I'll come walking by
Just to see what went wrong
Late at night you'll come crawling back
Just to steal a piece of me
Late night I'll come walking by
Just to see what went wrong
Late at night you'll come crawling back
Just to steal a piece of me
Lay down now, lay down now, lay down now
Late at night I'll come walking by
