One Late Night

Default

Well, I've been to the edge and back again

And I know all there is to know it's a dead endLate at night I'll come walking by

Just to see what went wrong

Late at night you'll come crawling back

Just to steal a piece of meI know what the world is made of I've seen it

You don't have all the answers keep dreamingLate night I'll come walking by

Just to see what went wrong

Late at night you'll come crawling back

Just to steal a piece of meLate night I'll come walking by

Just to see what went wrong

Late at night you'll come crawling back

Just to steal a piece of meLay down now, lay down now, lay down now

Late at night I'll come walking by
