Instinctive Aggressor, Fucking Slay
Lacerate, Eviscerate, Decapitate
Become The Bane, Smash The Brain, Bones Will Break
Assassins Dining Out Upon This Rape
Drunk On This Adrenalin That We Crave
Stamping On This Shattered Face
Feeding Like Flies On This Violence, Consumed With RageRemember They're Not Alive
Don't Let Them Cross That Line
Lank Skull Faces Behind The Wire

We Came Here To Terminate This Fucking Threat
Imperative That We Obliterate
Celebrate, Keep The Faith, Use Your Hate
Cannot Let The Enemy Contaminate
Brainless State, A Blank Slate, Unthinking Slaves
Sanction For This Massacre
Must Destroy This Anathema, To Save The DayRemember They're Not Alive
Don't Let Them Cross That Line
Lank Skull Faces Behind The Wire
