

# Man Or Mouse

## Barrelhouse Chuck

Yeah, yeah, yeah  
I hate myself when going  
Yeah, yeah, yeah  
Hear me, I sound like a beetle  
I get cold feet when the pressure is on  
You can't see me 'coz I'm lost like a needle  
In a haystack yeah I'm almost gone  
Like a mouse follows the flute  
Or like a mute who can't dispute, I fall in line with you  
Mouse more than man, yes I am  
You know I wanna say no and just stick to my own plan  
Mouse more than man, yes I am  
'Coz yet I go with the flow  
See me as a chameleon, a cheap shot  
I change my cast for anybody's best  
But I'm not free I feel more like a robot  
That is programmed to suit the rest  
So, whatever you want I'll do  
Whenever you want me to I will agree with you  
Mouse more than man, yes I am  
You know I wanna say no and just stick to my own plan  
Mouse more than man, yes I am  
'Coz yet I go with the flow  
Yeah, yeah, yeah  
I hate myself when going  
Yeah, yeah, yeah  
No more sound like a beetle  
Those cold feet are for yesterday  
No more getting the needle  
I cannot care about what others say  
Mouse more than man, yes I am  
You know I wanna say no and just stick to my own plan  
Mouse more than man, yes I am  
'Coz yet I go with the flow before the shit hits the fan  
Mouse more than man, yes I am  
You know I wanna say no and just stick to my own plan  
Mouse more than man, yes I am  
'Coz yet I go with the flow  
Yeah, yeah, yeah

This is my last time going  
Yeah, yeah, yeah
