

# When You Were Young (Piano Version)

## A Silent Film

You sit there in your heartache  
waiting on some beautiful boy to  
save you from your old ways,  
you play forgiveness watch it now here he comes  
he doesn't look a thing like Jesus  
but he talks like a gentleman  
like you imagined when you were young

-

Can we climb this mountain, I don't know  
higher now than ever before  
I know that we can make it if we take it slow  
let's take it easy, easy now watch you go  
we're burning down the highway skyline  
in the back of a hurricane  
it started turning when you were young

-

When you were young  
and sometimes you close your eyes  
and see the place where you used to live  
when you were young

-

You say the Devil's water it ain't so sweet  
you don't have to drink right now  
but you can dip your feet  
every once in a little while

-

You sit there in your heartache  
waiting on some beautiful boy to  
to save you from your old ways  
you play forgiveness watch it now here he comes  
he doesn't look a thing like Jesus  
but he talks like a gentleman  
like you imagined when you were young  
just like a gentleman like you imagined  
when you were young

-

He doesn't look a thing like Jesus (x2)

And more than you'll ever know
