Heartbeat

Sandra

Heartbeat that's emotion
Heartbeat it's devotion
Ever more desire
Tell me is someone who's betterHeartbeat that's emotion
Heartbeat it's devotion
Ever more desire
Tell me is someone who's better
In my lifeOh I don't know if your love is right
On take you life away
I'm jealous of his begging you to stay
Even if dream of you
I'm doing all the scenes
I never thought you do it once again
I get my time to be longerHeartbeat that's emotion
Heartbeat it's devotion
Ever more desire
Tell me is someone who's betterHeartbeat that's emotion
Heartbeat it's devotion
Ever more desire
Tell me is someone who's better
In my lifeI lock my soul for many times
Changing fells in me
Calling circles off
Confusion leaving me
I get my time to be longerHeartbeat, heartbeat
That's emotion
Heartbeat, heartbeat, heartbeatMore desire
Tell me is someone who's betterHeartbeat that's emotion
Heartbeat it's devotion
Ever more desire
Tell me is someone who's better...
