It's a Beautiful Day

Pizzicato Five

P-I-Z-Z-I-C-A-T-O Five!when the angels smile
love begins
as the angels smile
love is alright
it will be alrightthis morning
just before I woke up
I had this short dream
I can't remember it
very well just in flashesthose angels whispered
whispered in my ears
wondrous love words
I thought I knew from somewhereit is a bright
morning
just like all the others but
I sort of feel different
for no apparent reason
I'm just happy
it's like today
is the day
to begin a new lovewhen the angels smile etc
love begins
when the angels smile
love is alright
it will be alrightthis strange hunch
in the new morning
this wonderful hunchas the phone rings
I can tell from the sound
it is you
some strange newsyou whisper
in my ear
wonderful love words
I'd been waiting forin the looking-glass
I'm putting on
this brand-new
shirt
I don't know why
I like myself today
more than usual
it's like

the first day of
a new
seasonwhen the angels smile
a new love begins
as the angels kiss
two people make love
the camera goes ona strange hunch
in a new morning
a wonderful hunchin the light
I'm hugging
myself
today
don't know why
I feel like crying
it's just like
the beginning of
a new love today
like that dream
I once saw is now
becoming realitywhen the angels smile etc
love begins
when the angels smile
love is alright
it will be alright
on this new morning
a strange hunch
a wonderful hunch
a new love
