

Seems Like A Long Time

Rod Stewart

Nighttime is only the other side of daytime
But if you've ever waited for the sun
You know what it's like to wish daytime would come And don't it seem like a long time
Seem like a long time, seem like a long, long time Hard times are only the other side of good times
But if you've ever wished hard times were gone
You know what it's like to wish good times would come And don't it seem like a long time
Seem like a long time, seem like a long, long time Help me, seems like a long time
Seems like a long time, seems like a long, long time And don't it seem like a long time
Seem like a long time, seem like a long, long time
And don't it seem like a long time
Seem like a long time, seem like a long, long time And don't it seems like a long time
Seems like a long time, seems like a long, long time You know it makes me sad, seems like a long time
Seems like a long time, seems like a long, long time A long long time
A long long time War time is only the other side of peace time
But if you've ever seen how wars are won
You know what it's like to wish peace time would come And don't it seem like a long time
Seem like a long time, seems like a long, long time
