

Come Alive

Halloween

Yeah, bring it on, all right Sleep, sleep
Sleep, sleep It don't get better if you're locked behind your door
It don't get better if you're hiding more and more
It may get better if you fight, it may get better if you'd
Wear a mask and scream on Halloween Come alive, come alive
Rise and see, rise and be for me
Come alive, come alive
From the blue, make it true for you
Come alive Sleep, sleep It don't get better if you're acting for a while
It don't get better if you drown in self-denial
It don't get better without pain, it don't get better if you
Turn around and flee to ecstasy Come alive, come alive
Rise and see, rise and be for me
Come alive, come alive
From the blue, make it true for you
Come alive Come alive, come alive
Come alive, come alive
Rise and see, rise and be for me Come alive, come alive
Rise and see, rise and be for me
Come alive, come alive
From the blue, make it true for you Come alive, come alive
Rise and see, rise and be for me
Come alive
