

# All My Heart

## The Mynabirds

I don't want half of anything  
Not a whitewashed love  
Or heaven on a string  
And even when it's hard to breathe  
No, I don't regret it  
I don't regret a thing Cause when I love  
I love with all my heart  
When I love  
I love with all my heart  
When it's over this hole here  
Might tear me apart  
But when I love  
I love with all my heart  
I'd walk through hell  
For just one kiss  
I'd give everything I have  
For a minute more of this  
And even if that's all I get  
No, I won't regret it  
I won't regret a thing  
Cause when I love  
I love with all my heart  
When I love  
I love with all my heart  
When it's over this whole year  
Might tear me apart  
But when I love  
I love with all my heart
