

Lonestar Rising

Robbie Williams

Bah-um, bah-um, bah-um, bah-um, bah-um
Sun is shining, so why am I feeling the cold?
Bah-um, bah-um
Not surprising, something has fallen from the foldBah-um, bah-um, bah-um
Lonestar rising, God only knows where I'll go
Bah-um, bah-um
Ohh, what timing and how blue is the toneBah-um, bah-umSeems like I was always drunk
I lost myself in someone's song
And when all is said and done
I only wanna feel the sunBah-umEvery others passed to remind of the time
All the lovers living in limbo divine
Bah-um, bah-um,bah-um
Every reason has every reason to goBah-um, bah-um
All the seasons melt into one like the snow
Bah-um, bah-umSeems like I was always drunk
I lost myself in someone's song
And when all is said and done
I only wanna feel the sunBah-um
No sensation, not even tears rolling down
Bah-um
Conversation, echoes like ghosts on the townBah-um, bah-um
Lonestar rising, God only knows where I'll go
Bah-um
Ohh, what timing and how blue is the toneBah-um, bah-umSeems like I was always drunk
I lost myself in someone's song
And when all is said and done
I only wanna feel the sunBah-um
