

# Fool In The Rain

## Led Zeppelin

Oh baby.

Well there's a light in your eye that keeps shining,  
Like a star that can't wait for night.  
I hate to think I been blinded baby.  
Why can't I see you tonight?  
An' the warmth of your smile starts a burning  
An' the thrill of your touch give me fright  
And I'm shaking so much, really yearning.  
Why don't you show up and make it alright-yeah?  
It's alright-right.

And if you promised you'd love so completely  
An' you said you would always be true,  
You swore that you never would leave me baby,  
Whatever happened to you?  
An' you thought it was only in movies  
As you wish all your dreams would come true, hey.  
It ain't the first time believe me baby,  
I'm standing here feeling blue, blue ha!  
Yes I'm blue.

Oh babe.

Now I will stand in the rain on the corner,  
I watch the people go shuffling downtown.  
Another ten minutes no longer  
An' then I'm turning around 'round.  
An' the clock on the wall's moving slower,  
Oh my heart it sinks to the ground  
An' the storm that I thought would blow over  
Clouds the light of the love that I found, found.

Light of the love that I found.  
Light of the love that I found.  
Oh that I found.

Hey babe.

Oh hand that ticks on the clock

Just don't seem to stop  
When I'm thinking it over.

Oh tired of the light,  
I just don't seem to find.  
Have you wait, yeah played.

Whoa oh I see it in my dreams  
But I just don't seem to be with you, you  
I gotta get it all, gotta get it all, gotta get it all,  
I've got to get all.

Ooh now my body is starting to quiver  
An' the palms of my hands getting wet oh.  
I got no reason to doubt you baby,  
It's all a terrible mess.  
An' I'll run in the rain till I'm breathless,  
When I'm breathless I'll run till I drop, hey!  
An' the thoughts of a fool's gotta count,  
I'm just a fool waiting on the wrong block oh-yeah.

Hey now. Oh oh oh.  
Light of the love that I found.  
Light of the love that I found.  
Light of the love that I  
Light of the love that I found.  
Light of the hey now. Light of the hey now.  
Light of the love that I found.  
Light of the love that I found.
