

Love Rhymes With Fuck You

Jeffree Star

You can fuck me till the sun comes up
'Cause you can fuck me till the sun comes up
'Cause you can fuck me till the sun comes up
'Cause you can fuck me till the sun comes up
'Cause you can fuck me till the sun comes up
You can fuck me till the sun comes up
Your eyes are killin' me
When you choke me I can't breathe
Bed sheets cover my needs
Rip them off, take me to my knees
When we start blowin' up
Give me whiplash, it feels like love
Burn baby, burn, burn, you make me hot, hot
Burn baby, burn, burn, you make me hot, hot
Burn baby, burn, burn, you make me hot, hot
Burn baby, burn, burn, you make me hot, hot
I know you want me, I want you too
You're feelin' frisky, I'm feelin' you
You fill me up, I'm goin' down
You can fuck me till the sun comes up
You can fuck me till the sun comes up
'Cause you can fuck me, fuck me, fuck me, fuck me
You stole my sanity
Limbs smashin' like a symphony
Your fingers down my spine
I'm cavin' in tonight
Shut up and tie me up
Your trash but it feels like love
Burn baby, burn, burn, you make me hot, hot
Burn baby, burn, burn, you make me hot, hot
Burn baby, burn, burn, you make me hot, hot
Burn baby, burn, burn, you make me hot, hot
I know you want me, I want you too
You're feelin' frisky, I'm feelin' you
You fill me up, I'm goin' down
You can fuck me till the sun comes up
You fill me up, I'm goin' down
You fill me up, I'm goin' down
You fill me up, I'm goin' down

I won't try and stop you, even though I should
Boy, you drive me crazy but damn, it feels so good
I know you want me, I want you too
You're feelin' frisky, I'm feelin' you
You fill me up, I'm goin' down
You can fuck me till the sun comes up
Fuck me, fuck me, fuck me, fuck me
Fuck me, fuck me, fuck me, fuck me
Fuck me, fuck me, fuck me, fuck me
Fuck me, fuck me, fuck me, fuck me
Fuck me, fuck me, fuck me, fuck me
Fuck me, fuck me, fuck me, fuck me
Fuck me, fuck me, fuck me, fuck me
Fuck me, fuck me, fuck me, fuck me
