

Down In the Lowlands (Adios SE Version)

Audio Adrenaline

The water is up to my neck
I am sinking in the deep
There is no foothold anymore
I'm very worn out from calling for help
My throat is hoarse and dry as a bone
My eyes have failed me from looking for you
Are you looking for me?[Chorus]
I'm down in the lowlands where the water is deep
Hear my cry, hear my shout, save me, save me (x2)
I'm down
I'm down Could this be it, could I be drowning?
Have I failed to be heard by the One
Who can save me now?
My eyes have failed me from looking for you
Are you lookin' for me?[Chorus: x2]'Cause in down (save me)
'Cause in down (save me)
'Cause in down (save me)
'Cause in down (save me)(Save me)[Chorus: x4](Oh, oh, oh, oh)
