

Don't Waste My Time

Monifah

If you wanna be with me
Stop messin' with my mind
Don't waste my time
Don't waste my time If you love me let me know
If you don't, I'm out the door
Don't waste my time
Don't waste my time I get tired of playin' silly games
Goin' through silly things, hear me
Baby, that's not my style
I wanna be with you
So don't waste my time
Stop messin' with my mind If you wanna be with me
Stop messin' with my mind
(Don't mess with my time)
Don't waste my time
Don't waste my time If you love me let me know
If you don't, I'm out the door
Don't waste my time
Don't waste my time Stop, look and listen to the things you say
Sometimes you make no sense to me
If you love me say it, if you want me show it
'Cause if it ain't that way, I really don't need you no more Baby, make up your mind
Don't have me waste my time with you
Don't mess with my mind If you love me let me know
If you don't, I'm out the door
Don't waste my time
Don't waste my time If you wanna be with me
Stop messin' with my mind
Don't waste my time
Don't waste my time If you love me let me know
If you don't, I'm out the door
Don't waste my time
Don't waste my time If you wanna be with me
Stop messin' with my mind
Don't waste my time
Don't waste my time If you love me let me know
If you don't, I'm out the door
Don't waste my time
Don't waste my time If you wanna be with me

Stop messin' with my mind
Don't waste my time
Don't waste my time If you love me let me know
If you don't, I'm out the door
Don't waste my time
Don't waste my time If you wanna be with me
Stop messin' with my mind
Don't waste my time
Don't waste my time If you love me let me know
If you don't, I'm out the door
Don't waste my time
