

Winterlong

Pixies

I waited for you winterlong
You seemed to be where I belong
It's all illusion anyway If things should ever turn out wrong
And all the love we have is gone
It won't be easy
On that day Waiting to follow
Through the dream light of your way
Is not so easy for me now After time has passed your way
Things we thought of yesterday
Come back now
Comeback now
Whoahohhhh Waiting to follow
Through the dream light of your way
Is not so easy for me now After time has passed your way
Things we thought of yesterday
Come back now
Comeback now
Whoahohhhh I waited for you winterlong
You seemed to be where I belong
I waited for you winterlong
You seemed to be where I belong
I waited for you winterlong
You seemed to be where I belong
I waited for you winterlong
You seemed to be where I belong
I waited for you winterlong
You seemed to be where I belong
I waited for you winterlong
You seemed to be where I belong
