

# There's Nothing I Can Say

[Rick Nelson](#)

There's nothing I can say  
There's nothing I can do  
To make you care for me  
The way I care for you I'm so in love with you  
I'll always be that way  
If you don't feel it too  
There's nothing I can do  
There's nothing I can say Except to pray  
That there'll come a day  
When love will start  
A flame in your heart To make you care for me  
The way I care for you  
That's all that I can say  
That's all that I can do I'm so in love with you  
I'll always be that way  
Until you feel it too  
There's nothing I can do  
There's nothing I can say I'm so in love with you  
There's nothing I can do  
There's nothing I can say
