Short Skirt Weather

Kane Brown

[Intro]
Oh my baby's made for short skirt weather
Yeah she makes me wish summer would just go on forever
From them yellow polka dots
From blue jeans to leather
Oh my baby's made for short skirt weather[Verse 1]
We'll be walking down the boardwalk
Watching them jaws drop
Ain't nobody lookin at me
They're all too busy staring at what she ain't wearin'
Can you blame her, it's 100 degrees
[Verse 2]
Yeah all them girls are jealous
'Cause they know all the fellas are watching her put on a show
Yeah every time they see her
They all just wanna be her
Making country boys' hearts explode[Chorus]
Oh my baby's made for short skirt weather
Yeah she makes me wish summer would just go on forever
From them yellow polka dots
Blue jeans to leather
Oh my baby's made for short skirt weather[Verse 3]
She get it from her mama
Back in Tullahoma
Small town Tennessee
She wasn't made for drama
But like Nascar in Daytona
Yeah that girl was made for me
[Chorus]
Oh my baby's made for short skirt weather
Yeah she makes me wish summer would just go on forever
From them yellow polka dots
Blue jeans to leather
Oh my baby's made for short skirt weather[Chorus]
Oh my baby's made for short skirt weather
Yeah she makes me wish summer would just go on forever
From them yellow polka dots
Blue jeans to leather
Oh my baby's made for short skirt weather[Chorus]

Oh my baby's made for short skirt weather
Yeah she makes me wish summer would just go on forever
From them yellow polka dots
From blue jeans to leather
Yeah my girl was made for short skirt weather[Outro]
Yellow polka dots
From blue jeans to leather
Oh my baby's made for short skirt weather
Come on now
