

I Close My Eyes (Early Version)

Bee Gees

Look at me I'm riding high
Don't know what's wrong with me.
Can't you see I'm not the guy
That I pretend to be.
Though I know I will be lonely
But our love will never die
I close my eyes, everyday, I close my eyes. The more I try the more I fail,
I'd like to run away.
But if I try you pass me by,
I know that I can't stay.
Though I know I will be lonely
But our love will never die
I close my eyes, everyday, I close my eyes. Though I know I will be lonely
But our love will never die
I close my eyes, everyday, I close my eyes
I close my eyes. [Repeat: x3]
