

Old Panda Days (W Nick Krgovich)

Casiotone for the Painfully Alone

I've dreamt of this haunt
The ghosts of 1666
The hazy lecture halls
Lund cathedral in wispsThe bells get carried aloft
By the strong nordic wind
But don't remind me of how oft
I got carried away with themAt uni we went
Insane when we took cocaine
Now I don't think I ever want
To hear "genius of love" again
I've been searching this town
And all I have found
Are nights of bad sex
With stupid boyfriends I shouldn't have kept
In a stupid flat I never swept
So taxi take me away
The sullen students and corner cafes
Remind me of old panda days
Give me old panda days
