All I Need

David Ruffin

(Forgive this fool my darling)
Oh this heart of mine
Carries a heavy load
When I think about
How I've hurt you so (I'm so ashamed)
After you've been
Been so good to me
I've been unfaithful darling
I've caused you misery (I'm so ashamed)
A feeling of guilt
Oh it tortures me
And only you my darling
Oh can set me free (I'm so ashamed)And darling all all I need
Is just to hear you say
You'll forgive me
Forgive me baby
All all I need
To have you touch my hand
Say you'll understand babyA moment of weakness darling (forgive this fool, my darling)
Caused me to stray
Your trust in me dear I threw away
When I look look into your eyes
I can see the hurt baby
That you feel inside (I'm so ashamed)
Although I've hurt you baby
You've never once complained
It makes me feel sweet darling
That much more ashamed (I'm so ashamed)
Tear of guilt tears of guilt running down my face
Tears that only you baby
Only you can erase (I'm so ashamed)And darling all all I need
Is just to hear you say
You'll forgive me
Forgive me baby
All all I need
To have you touch my hand
Say you'll understand
