

# Pirate Dial

M. Ward

It's alright if you don't mind  
It's alright if you do  
You're still coming through  
On a pirate dial  
On a pirate dial I can hear ya  
I can hear ya It's alright if they don't mind  
It's alright if they do  
You're still coming through  
On a pirate dial  
On a pirate dial And I can hear ya  
I can hear ya
