

# Scratch Your Name

## Noisettes

Inside spotlight, fire is burning in my eyes  
In 2025 there'll be fantasy costumes for your psyche  
We had a deal we had a sign we had a deal that was broken  
I'm not fooling around, fooling around,  
Over hills under ground break it open

Scratch your name  
Into the fabric  
Of this world  
Before you go  
The skin will tear  
Under the pressure  
Make it deep  
So it always shows

In a trance petrified to dance  
You wait in the wings for your curtain call  
On your marks come on, get set go People defend your sovereignty  
We had a deal, you were divine We had a deal that was no  
King I'm not fooling around,  
Mr merry go round Or convulse on the floor like a rabid

Scratch your name  
As true as love is insane

Scratch your name  
Into the fabric  
Of this world  
Before you go  
The skin will tear  
Under the pressure  
Make it deep  
So it always shows
