Burden Of Shame

Ub40

There are murders that we must account for
Bloody deeds have been done in my name
Criminal acts I must pay for
And our children will shoulder the blame
I'm a British subject, not proud of it
While I carry the burden of shame
I'm a British subject, not proud of it
While I carry the burden of shame
As a nation we're following blindly
No one stops to question why
Our money's supporting an army
And a boy in Soweto dies
I'm a British subject, not proud of it
While I carry the burden of shame
I'm a British subject, not proud of it

While I carry the burden of shame
Must we go on ignoring forever
The cries of an African son
There's a soldier's hand on the trigger
But it's we who are pointing the gun
I'm a British subject, not proud of it
While I carry the burden of shame
I'm a British subject, not proud of it
While I carry the burden of shame
I'm a British subject, not proud of it
While I carry the burden of shame
I'm a British subject, not proud of it
While I carry the burden of shame
