

They Say It's Wonderful

[**Frank Sinatra**](#)

They say that falling in love is wonderful
It's wonderful, so they say And, with a moon up above, it's wonderful
It's wonderful, so they tell me I can't recall who said it
I know I never read it
I only know they tell me that love is grand
And The thing that's known as romance is wonderful, wonderful
In every way, so they say To leave your house some morning
And, without any warning
You're stopping people, shouting that love is grand
And To hold a girl in your arms is wonderful, wonderful
In every way
So they say
