Listen

Beyonce' Knowles

Listen to the song here in my heart
A melody I start but can't complete
Listen to the sound from deep within
It's only the beginning to find releaseOh, the time has come for my dreams to be heard
They will not be pushed aside and turned
Into your own all 'cause you won't
ListenListen, I am alone at a crossroads
I'm not at home in my own home
And I've tried and tried to say what's on my mind
You should have knownOh, now I'm done believing you
You don't know what I'm feeling
I'm more than what you made of me
I followed the voice you gave to me
But now I've gotta find my ownYou should have listened, there is someone here inside
Someone I thought had died so long ago
Oh, I'm screaming out and my dreams 'll be heard
They will not be pushed aside or turned
Into your own all 'cause you won't
ListenListen, I am alone at a crossroads
I'm not at home in my own home
And I've tried and tried to say what's on mind
You should have knownOh, now I'm done believing you
You don't know what I'm feeling
I'm more than what you made of me
I followed the voice you gave to me
But now I've gotta find my ownI don't know where I belong
But I'll be moving on
If you don't, if you won'tListen to the song here in my heart
A melody I start but I will completeOh, now I'm done believing you
You don't know what I'm feeling
I'm more than what you made of me
I followed the voice you think you gave to me
But now I've gotta find my own, my own
