

# This Is Pop

XTC

In a milk bar and feeling lost  
Drinking sodas as cold as frost  
Someone leans in my direction  
Quizzing on my jukebox selection

What do you call that noise  
That you put on? This is pop

Yeah yeah

This is pop

Yeah yeah

This is pop

Yeah yeah

This is! On a walkway and moving fast

All I get is transistor blast  
Someone leans in my direction  
Quizzing on my station selection

What do you call that noise  
That you put on? This is pop

Yeah yeah

This is pop

Yeah yeah

This is pop

Yeah yeah

This is! We come the wrong way

We come the long way  
We play the songs much too loud This is

Yeah yeah

This is pop

Yeah yeah  
This is pop  
Yeah yeah  
This is  
Pop
