

# Willing to Go

Corbin Bleu

I'll travel lady a lotta miles to find love  
I'll do any and everything for your love  
And all I need to do is give you my heart  
To show you there's a deeper side to me 'Cause I've been so far and looked so hard  
I'll never stop till I find what I'm looking for  
See I been lost several times before  
But I will search forever I'm willing to go to the end of the world  
Even if it takes all my life just to find you girl  
I'm willing to go, willing to go  
I'm willing to go, willing to go  
I'm willing to go, I'm willing to go to the end of the world Listen baby you know I'll take any transport  
Take a train, a car, even a love boat  
Baby I would fly across the globe  
As long as it leads to you 'Cause I've been so far and looked so hard  
I'll never stop till I find what I'm looking for  
See I've been lost several times before  
But I will search forever I'm willing to go to the end of the world  
Even if it takes all my life just to find you girl  
I'm willing to go, willing to go  
I'm willing to go, willing to go  
I'm willing to go, I'm willing to go to the end of the world Oh, I don't mind if it takes all my life  
'Cause girl it's worth the time tryna find your love, oh I'm willing to go to the end of the world  
Even if it takes all my life just to find you girl  
I'm willing to go, willing to go  
I'm willing to go, willing to go  
I'm willing to go, I'm willing to go to the end of the world I'm willing to go, willing to go  
I'm willing to go, willing to go  
I'm willing to go, willing to go to the end of the world I'm willing to go, I'm willing to go  
I'm willing to go, I'm willing to go  
I'm willing to go, I'm willing to go to the end of the world
