

# Turn Your Lights Down Low

## Bob Marley

Turn your lights down low  
And pull your window curtains;  
Oh, let Jah moon come shining in -  
    Into our life again,  
Sayin': ooh, it's been a long, long (long, long, long, long) time;  
    I kept this message for you, girl,  
    But it seems I was never on time;  
    Still I wanna get through to you, girlie,  
    On time - on time.  
    I want to give you some love (good, good lovin');  
    I want to give you some good, good lovin' (good, good lovin').  
    Oh, I - oh, I - oh, I,  
Say, I want to give you some good, good lovin' (good, good lovin'):   
    Turn your lights down low;  
    Never try to resist, oh no!  
    Oh, let my love come tumbling in -  
    Into our life again,  
    Sayin': ooh, I love ya!  
    And I want you to know right now,  
    I love ya!  
    And I want you to know right now,  
    'Cause I - that I -  
    I want to give you some love, oh-oooh!  
    I want to give you some good, good lovin';  
    Oh, I - I want to give you some love;  
    Sayin': I want to give you some good, good lovin':  
    Turn your lights down low, wo-oh!  
    Never - never try to resist, oh no!  
    Ooh, let my love - ooh, let my love come tumbling in -  
    Into our life again.  
    Oh, I want to give you some good, good lovin' (good, good lovin').
