

# Whoop T Whoop

## Pitbull

So I heard this out in LA man  
This whole thing about a 'Whoop-T-Whoop'  
That means when you talkin' to a girl  
Talkin bout all the things you gon' do to her  
When you get to the room  
Lasts like two minutes I want you  
I need you  
Gotta have you  
Have you I want you  
I need you  
Gotta have you  
Now let me tell me what I wanna do to you I wanna touch ya  
Kiss ya  
Freak ya  
Fuck you  
Lick you  
Tease you  
Please you  
Suck you I wanna make you come  
I wanna make you come  
I wanna make you come  
I wanna make you come But she said - "Save that Whoop-T-Whoop, I ain't tryna hear that Whoop-T-Whoop"  
She said - "Save that Whoop-T-Whoop, I ain't tryna hear that Whoop-T-Whoop"  
She said - "Save that Whoop-T-Whoop, I ain't tryna hear that Whoop-T-Whoop"  
She said - "Save that Whoop-T-Whoop, I ain't tryna hear that Whoop-T-Whoop" I wanna li-li-li-lick you from  
your head to your toes  
I wanna take it from the club to the room, from the room to the tub, dow-down to the floor  
I wanna hit it from the front, from the side, from the back, ti-till y-you explode  
Baby don't you know that you're dealing with a cer-cer-cer-cer-certified pro  
And I love it when you rub it when you play wit' yourself  
I'm a nympho and I love baby there's nothin' else  
So, ichi, ni, san, shi  
That's me, plus three  
Voulez-vous couchez avec moi? "Oui oui." I wanna touch ya  
Kiss ya  
Freak ya  
Fuck you  
Lick you  
Tease you

Please you  
Suck you I wanna make you come  
I wanna make you come  
I wanna make you come  
I wanna make you come But she said - "Save that Whoop-T-Whoop, I ain't tryna hear that Whoop-T-Whoop"  
She said - "Save that Whoop-T-Whoop, I ain't tryna hear that Whoop-T-Whoop"  
She said - "Save that Whoop-T-Whoop, I ain't tryna hear that Whoop-T-Whoop"
