Don't Want to Know

John Martyn

Now I don't want to know about evil
I only want to know about love
I don't want to know about evil
I only want to know about love.Sometime's it seems so hard to listen,
hard for me to use my eye's
when all around the gold is glistening
making sure it keeps me down to sizeNow I don't want to know about evil
I only want to know about love
I don't want to know one thing about evil
I only want to know about loveI'm waiting for the plains to crumble
waiting for the towns to fall
I'm waiting for the cities to tumble
waitingting for the sea to callSometime it gets so hard to listen
hard for us to use our eye's
when all around the gold is glistening
making sure it keeps a zip in the tideNow I don't want to know about evil
I only want to know about love.
