

# Walk Away (Remember Me)

[Paula DeAnda](#)

Advisory - the following lyrics contain explicit language:

I'm gonna remember you  
You're gonna remember me  
I'm gonna remember you  
You're gonna remember me  
I'm gonna remember you  
You're gonna remember me  
Yeah, I'm gonna remember you  
You're gonna remember me I saw you with your new girl just yesterday  
And I feel that I must confess  
Even though it kills me to have to say  
I'll admit that I was impressed  
Physically just short of perfection  
Gotta commend you on your selection  
Though I know I shouldn't be concerned  
In the back of my mind I can't help but question Does she rub your feet  
When you've had a long day  
And scratch your scalp  
When you take out your braids?  
Does she know you like to play PS2  
Till six in the morning like I do I can't explain this feeling (yeah)  
I think about it everyday  
And even though we've moved on (uh huh)  
It gets so hard to walk away (I'm gonna remember you, you're gonna remember me)  
Walk away (forever you will live in my memory)  
Walk away (I'm gonna remember you, you're gonna remember me)  
Walk away (I can't forget how we used to be) Our life from day to day  
Hopin' maybe you'll come back  
And though I tell myself not to be afraid  
To move on but it seems I can't  
Though a new man has given me attention  
It ain't the same as your affection  
But I know I should be content

In the back of my mind  
I can't help but question Does he kiss me on the forehead  
Before we play?  
Show up on my doorstep  
With a bouquet  
Does he call me in the middle of the day  
Just to say, baby, I love you  
Like you used to? I can't explain this feeling (I can't explain, yeah)  
I think about it everyday (everyday)  
And even though we've moved on (moved on, uh huh)  
It gets so hard to walk away (I'm gonna remember you, you're gonna remember me)  
Walk away (Forever you will live in my memory) (Walk away)  
Walk away (I'm gonna remember you, you're gonna remember me)  
Walk away (I can't forget how we used to be) I'm gonna remember you  
You're gonna remember me  
The things we did, the way we shared our fantasies  
Just you and me, my friend, my love, my family  
How did we lose the love that was meant to be?  
Sometimes I kiss her, and wish that it was you that I'm kissin'  
Sometimes I miss him, and wish that it was you that I'm missin'  
Sometimes I hug her, and wish that it was you that I'm huggin'  
And I realized how much I'm buggin'  
I miss you So how do I express this feeling?  
'Cause nobody compares to you  
And you know that she'll never love you like I do (Yeah) I can't explain this feeling (uh huh)  
I think about it everyday (everyday, yeah)  
And even though we've moved on (yeah)  
It gets so hard to walk away (I'm gonna remember you, you're gonna remember me)  
Walk away (walk away)  
Walk away (walk away)  
Walk away (I'm gonna remember you, you're gonna remember me)  
Walk away (I can't forget how we used to be) I can't explain this feeling  
I think about it everyday (everyday)  
And even though we've moved on (yeah)  
It gets so hard to walk away (I'm gonna remember you, you're gonna remember me)  
Walk away (walk away)  
Walk away (I'm gonna remember you, you're gonna remember me)  
Walk away I'm gonna remember you  
You're gonna remember me  
I'm gonna remember you  
You're gonna remember me
