Ditch

Gus Dapperton

hey
take me to your home (oh)
hey take me when you're home (oh)
arms around my head wont miss
so I close my eyes instead
arms around my head, wont rest
I cant so I
close my eyes instead
you
I like the likes of you
oh, cant you seen I've grown? (grown)
arms around my head wont miss
so i close my eyes instead
arms around my head
wont rest I can't so I
close my eyes instead
