## Gus Dapperton

hey  
take me to your home (oh)  
hey take me when you're home (oh)  
arms around my head wont miss  
so I close my eyes instead  
arms around my head, wont rest  
I cant so I  
close my eyes instead  
you  
I like the likes of you  
oh, cant you seen I've grown? (grown)  
arms around my head wont miss  
so i close my eyes instead  
arms around my head  
wont rest I can't so I  
close my eyes instead
