

# I Know How the River Feels

Ty Herndon

They say for everyone there's that certain one

Out there, somewhere

I'd been lookin' hard, searchin' every heart

Gettin' nowhere  
Didn't know I was makin' my way to you  
Now I know how the river feels when it reaches the sea

An' finally finds a place, it was always meant to be

Holdin' fast, home at last, knowin' the journey's through

Lyin' here with you, I know how the river feels  
Miles of loneliness now make perfect sense  
Here beside you

Tears like waterfalls, they were worth them all

Just to find you  
An' these are the last arms I'll run to  
I know how the river feels when it reaches the sea

An' finally finds a place, it was always meant to be

Holdin' fast, home at last, knowin' the journey's through

Lyin' here with you, I know how the river feels  
Holdin' fast, home at last, knowin' the journey's through  
Lyin' here with you, I know how the river feels

I know how the river feels

I know how the river feels
