Dialogue

Jason Mraz

So you guys know my good friend back here Mr. Toca Rivera (. com)Alright, Theres probably a lot of people here on a date but dont even realize youre on a date. Because youve been with that person for so long, youre just out. doesnt count anymoreWell how many people are here tonight, youre with your other, but secretly you know youre gonna break up with that person, you just havent told them yetYep, see were getting a little mixed reactions here.
