

# Fool in the Full Moon

## Violent Femmes

I've been following women all afternoon  
don't turn around  
too soon  
I've been following you all afternoon  
following you a fool in the full moon  
something's got a hold on me when I get a hold of you  
following women  
after dark  
nobody knows what's in my heart  
let your loving be  
I'm a lechery  
I do not spread leprosy  
I will not touch but let me see  
my building's burning down and i cannot breathe  
following you  
who won't believe  
perfect peace I cannot perceive  
when I'm following you I'm a fool in the full moon
