

2gether (feat. Roger Sanchez & Kanobby)

Far East Movement

We can get together Now I don't usually do this

But I ain't myself tonight

I wanna drink a lil mo, mo

Forget it all, all

And dance till I'm dead, dead, dead on the floor (floor) E-very one must shine together tonight, tonight, tonight,
tonight, tonight, tonight [2x] I-I-I been partying my whole life

But something feels different tonight

I been buzzin' my whole life

But something bout you buzzin' me right (right) Yo

This is club is goin' crazy

You've got me goin' crazy

This dj's goin crazy

And now I'm elevated

We havin' fun in here

So hands up in the air

We havin' fun in here

So get your hands up in the air Now I don't usually do this (this, this)

But I ain't myself tonight (night, night)

I wanna drink a lil mo (mo)

Forget it all (all)

And dance till I'm dead, dead, dead on the floor (floor) E-very one must shine together tonight, tonight, tonight,
tonight, tonight, tonight [2x] I-I-I been lovin' my whole life

But somethin' feels different tonight

I been jumpin' my whole life

But you got me jumpin' tonight Yo

This is club is going crazy

You've got me goin' crazy

This dj's goin' crazy

And now I'm elevated

We havin' fun in here

So hands up in the air

We havin' fun in here

So get your hands up in the air (air, air, air) [Repeat x2]

Tonight I don't care

We waited all year

Everyone shine

Get yo hands in the air Tonight I don't care

Get yo-g-g-g-get yo hands in the air Everyone my shine together tonight [Repeat x2] Tonight tonight tonight

tonight tonight tonight
