

Hypothermia (feat. Noctilucent)

Ryzu

Lips are frozen, hands are numb
My heart is alive, needing a soul
I need you more though (need you more though)

Can you still feel my heart beat? (heart beat, my heart beat, heart beat)
Can you still feel my heart beat? (heart beat, heart beat, heart beat)
Faster? (faster, faster)
Everytime I see you

Can you still feel my heart beat?
(lips are frozen, hands are numb)
My heart is alive (needing a soul)
Can you still feel my heart beat?
Faster?
Everytime I see you
