

Summer's Almost Gone (Live At the Matrix)

The Doors

Summer's almost gone
Summer's almost gone
Almost gone
Yeah, it's almost gone
Where will we be
When the summer's gone? Morning found us calmly unaware
Noon burn gold into our hair
At night we swim the laughin' sea
When summer's gone
Where will we be?
Where will we be?
Where will we be? Morning found us calmly unaware
Noon burn gold into our hair
At night we swim the laughin' sea
When summer's gone
Where will we be? Summer's almost gone
Summer's almost gone
We had some good times
But they're gone
The winter's comin' on
Summer's almost gone
