It Takes More (Bloodshy Main Mix)

Ms. Dynamite

The shit that u promote fightin' fuckin'
like u don't want 2 grow
U talkin' so much sex
But u nah tell the youts bout aids
And u tell them bout consequence no
U talkin' like u a G but ur a killer killin' ur own
ur just a racist mans pussy
Tell me who u wants to know
What when who where or how u do ur hoeCertainly not me
Certainly not me
Cos baby personally I like to b challenged mentally
I've heard it all b4 gangsters pimps and whores
Quality is poor
A girl likes me needs moreIt takes more 2 amuse a girl like me
So much more 2 confuse a girl like me
They got us cos while u're braggin
bout ur badness ur just
Avoidin' addin' 2 the real shit
that's happening 2 usNow who gives a damn about the ice on ur hand
If it's not 2 complex
Tell me how many Africans died 4 the bagguettes
on ur rolex?
So what u pushin' a nice car
Don't u know there there's no such thing as superstars
We leave this world alone
So who gives a fuck about the things u ownCertainly not me
Certainly not me
Cos baby personally I like to b challenged mentally
Ur bullshits insignificant
And it don't hep to pay my rent
Its pure negativity that you impose on meIt takes more 2 amuse a girl like me
So much more 2 confuse a girl like me
They got us cos while u're braggin
bout ur badness ur just
Avoidin' addin' 2 the real shit
that's happening 2 usIt takes more 2 amuse a girl like me
So much more 2 confuse a girl like me
They got us cos while u're braggin
bout ur badness ur just

Avoidin' addin' 2 the real shit
that's happening 2 usNow I could sit and chat shit bout dicks and sex
But my business is my business I got self respect
I could talk bout how my press could pimp mans doe
Get the keys 2 his ride and his home
But I looked it up and that would make me a hoe
Little sisters now I really gotta let u know
Real women ain't sexin' 4 no mans doe
Real women work hard 2 make their own
And we can all chat bout gats and blacks on blacks
Enforce the hypes and all the stereotypes
But yours are watchin' that ain't what I'm here 4
Show em 2 think higher and aspire 2 b moreIt takes more 2 amuse a girl like me
So much more 2 confuse a girl like me
They got us cos while u're braggin
bout ur badness ur just
Avoidin' addin' 2 the real shit
that's happening 2 usIt takes more 2 amuse a girl like me
So much more 2 confuse a girl like me
They got us cos while u're braggin
bout ur badness ur just
Avoidin' addin' 2 the real shit
that's happening 2 us
