Umm Hmm

Erykah Badu

Takes some time to let your feelings show
You can't hide you can't hide
Skies the limit let me really know
You can't hide you can't hideCome down baby let me know
Um hmm
I love how you make me feel
Um hmm
Let's jump off into your world
Um hmm
Hearts lead baby it's your deal
Um hmm
Thump thump
I've been here before
Um hmm
Don't cheat I been taking score
Um hmmTakes some time to let your feelings show
You can't hide you can't hide
Skies the limit let me really know
You can't hide you can't hide
Come down baby let me know
Um hmm
I love how you make me feel
Um hmm
You came to drop off into my world
Um hmm
Hearts lead baby it's your deal
Thump thump
I been here before
Um hmm
Don't cheat I've been taking score
Um hmmTakes some time to let your
Feelings show
You can't hide you can't hide
Skies the limit let me really know
You can't hide you can't hide
Um hmm
I know I know you care for me
Um hmm
Cause you can't get away

Um hmm
I'm trying to sympathize with you,
Pimpin' um hmm
Don't play with me play
Do I look like a play thing
Um hm
Boy you know the drill
Um hm
Cause the feelings real
Um hmTakes some time to let your feelings show
You can't hide you can't hide
Skies the limit let me really know
You can't hide you can't hide
