Scared Of The Dark

Lower Than Atlantis

Man is,
Afraid of the unknown,
I don't know what the night brings,
When I'm aloneThe lamp's on,
It's always been that way,
It's a way, I hope that things,
Will always stayAnd I'm embarrassed to say,
That I'm still scared of the dark at my age,
It's not the monsters under my bed or in the wardrobe,
I just feel alone in the dark,
With the lights off and eyes closedNow the world knows,
The world knowsIn darkness,
I see shapes and beings, dancing on the walls
And in the corners of the ceilingThey surround me,
Like an army of ninja ghosts,
Waiting for me to sleep,
It's when they attack the mostThat's when they attack the mostAnd I'm embarrassed to say,
That I'm still scared of the dark at my age,
It's not the monsters under my bed or in the wardrobe,
I just feel alone in the world,
With lights off and eyes closedNow the world knows
The world knowsAnd I'm embarrassed to say,
That I'm still scared of the dark at my age,
It's not the monsters under my bed or in the wardrobe,
I just feel alone in the world,
With lights off and eyes closedMan is,
Afraid of the unknown.
