Dangerous

Shinedown

I could stand behind my barricade

Do what I'm told and be afraid to change

While isolated by the mainstream

With the current up against me

Well maybe if my arms

Were ten feet tall

I could finally reach that crystal ball'Cause I

Still find

Inside

There's something braver

And I

I won't be

I won't be

The silent damnationI will never be voiceless

My weapon of choice is

I'd rather be dangerous

I won't be left defenseless

As God as my witness

I'd rather be dangerousDangerousI'm not making conversation

But I'll state my observations

Well I could buy my faith

Like a plot in the ground

But I was never lost

And I never had a doubt'Cause I

Still find

It's not my

Imagination

And I

I won't be

I won't be

The silent damnation I will never be voiceless

My weapon of choice is

I'd rather be dangerous

I won't be left defenseless

As God as my witness

I'd rather be dangerousDangerousEverybody

Is somebody

And anybody is you

I own my story

I won't say sorry

And neither should youI will never be
I will never be voiceless
My weapon of choice is
I'd rather be dangerous
I won't be left defenseless
As God as my witness
I'd rather be dangerousEverybody
Is somebody

And anybody is youI will never be voiceless
(As God as my witness)
I won't be left defenseless
(As God as my witness)
I'd rather be dangerousDangerous
