

# Will He Come Home Tonight?

Pastor Troy

Listen to this track bitch

Will he will he come home tonight I'm praying for my  
Ganstas and my real niggas will he will he coming home  
Tonigh I'm praying for my gansta and my real niggas  
He will he come home tonight I'm praying for my ganstas and my real niggas

I aint never ment to be gangsta  
I aint never ment to be hard  
This world so full of anger  
Its like the monies god  
But I know better so the chetta aint a issue  
Plus everybody in the chevy ridin wit ya  
But everybody wit ya aint down  
And everybody down aint wit ya  
All u gotta do is call his name  
He'll send his angels to get ya  
Heavenly send your angels of protection  
'Cause now the whole world got weapons  
We gon make it home tonight

Yeah im smokin and thankin about the future  
Livin in a world where ya own kind'll shoot ya  
Gettin to the money its funny but u a target  
Brain washed really nigga this is silly  
Killin bout rims killin bout cash  
When its about the credit they make us look pathetic  
So tonight I just want u to play this song  
And everybody make it bak home its on\*
